

UniOP Operator Panels		
eTOP02C-0046	3.5" TFT color, 320x240, 256 colors, touchscreen, 1MB user memory, Ethernet Port, PLC/ PC, Aux Ports	\$1,290
eTOP03-0046	3.8" monochrome graphic display, 320x240, touchscreen, 512 MB user memory PLC/PC, Aux ports	\$920
eTOP05C-0045	5.6" monochrome graphic display, 320x240, touchscreen, 32MB user memory, Ethernet Port, PLC Port, PC/Printer Port, Aux Port	\$1,990
eTOP11C-0050	5.6" STN color, 320x240, 16 colors, touchscreen, 32MB user memory, Ethernet Port, PLC Port, PC/Printer Port, Aux Port, compatible with local I/O	\$2,490
eTOP20C-0050	7.5" TFT color, 640x480, 64K colors, touchscreen, 32MB user memory, Ethernet Port, PLC Port, PC/Printer Port, Aux Port, compatible with local I/O, compatible with video input	\$3,100
eTOP32B-0050	9.6" Diagonal Mono Display 640 x 480, 8 MB Flash	\$6,900
eTOP33C-0050	10.4" TFT color, 640x480, 64K colors, touchscreen, 32MB user memory, Ethernet Port, PLC Port, PC/Printer Port, Aux Port, compatible with local I/O, compatible with video input	\$4,590
eTOP50C-0050	15" TFT color, 1024x768, 64K colors, touchscreen, 32MB user memory, Ethernet Port, PLC Port, PC/Printer Port, Aux Port, compatible with local I/O, compatible with video input	\$5,500
eTOP50B-0050	15.1" Diagonal TFT Active Matrix Color Display 1024 x 768, 8 MB Flash, compatible with video input	\$7,200
ePAD04-0046	Graphic LCD display, 120x32, 4 lines 20 characters, 4 function keys, PLC/PC, Aux ports	\$596
ePAD06-0046	Graphic LCD display, 120x32, 4 lines 20 characters, 9 function keys, PLC/PC, Aux ports	\$630
MD02R-04	LCD display, 4 line 20 characters, 4 function keys, PLC/PC, Aux Ports, compatible with local I/O	\$990
MD03R-04	LCD display, 4 line 20 characters, 4 function keys, PLC/PC, Aux Ports, compatible with local I/O	\$850
CP10G-04	Graphic LCD display, 120x32 pixel, 4 line 20 characters, 12 function keys, numeric keypad. PLC, PC/Printer and Aux Ports, compatible with local I/O	\$1,390
MKDG-07-0045	Graphic LCD display, 240x64 pixel, 8 lines 40 characters, 23 function keys, alphanumeric keypad, ready to house mechanical pushbuttons, PLC, PC/Printer and Aux Ports	\$2,100
MKDR-16-0045	Graphic LCD display 320x240 (16 lines 40 characters), 16 function keys, numeric keypad, PLC, PC/Printer, Aux ports	\$3,600
ePAD32B-0050	9.4" Diagonal Backlit LCD Display w/35 keys 640 x 480-I/O	\$4,900
ePAD33B-0050	10.4" Diagonal TFT color Display w/35 keys 640 x 480-I/O. Compatible with video input	\$4,900
Designer STD	Designer version 6, standard installation	\$295

	Options and Accessories	Aust\$
AHOOK01	Hook set without magnet for ePalm 10/11	\$30
AHOOK02	Hook set with magnet for ePalm 10/11	\$40
UniControl-01	IsaGRAF programming software for PLC Module with 64 I/O Limit	\$1,138
UniControl-01-USB	IsaGRAF programming software for PLC Module with 64 I/O Limit (CD + Hardware key Parallel Port)	\$1,138
UniControl-02	ISaGRAF programming software for PLC Module with 256 I/O Limit	\$4,541
UniControl-02-USB	IsaGRAF programming software for PLC Module with 256 I/O Limit (CD + Hardware key Parallel Port)	\$4,541
UniControl-Start-01	SCM03 module + Exor ISaGRAF 64 I/O (CD + Hardware key)	\$1,363
MEM-05	0.5 MB Flash memory expansion for graphic panels	\$120
MEM-10	32 MB SSFDC Flash card	\$90
MDGEND	Gender changer for panels without PC/Printer Port	\$30
PROT-01	Disposable protection film for ExT-16 touch panels (10 pieces)	\$180
PROT-02	Disposable protection film for ExT-VGA touch panels (10 pieces)	\$315
PROT-03	Disposable protection film for eTOP1x and eTOP11x touch panels (10 pieces)	\$180
PROT-04	Disposable protection film for eTOP3x and eTOP13x touch panels (10 pieces)	\$315
PROT-05	Disposable protection film for eTOP4x and eTOP14x touch panels (10 pieces)	\$580
PROT-06	Disposable protection film for eTOP5x and eTOP15x touch panels (10 pieces)	\$790
PROT-07	Disposable protection film for 3.8"eTOP touch panels (10 pieces)	\$790
PROT-09	Disposable protection film for 7.5" eTOP touch panels (10 pieces)	\$190
R-PRINT-xxxx	Printable foils for slide in legends	\$105
SCM-10	Web Server	\$650
SCM-11A	Ethernet 10base-T TCP/IP	\$450
SCM-11-C	Ethernet 10base-T TCP/IP. CoDeSys runtime	\$510
SCM12	PLC module with ISaGRAF runtime. CANopen master interface. Ethernet 10 base-T TCP-IP interface	\$590
SCM12-C	PLC module with CoDeSys runtime. CaNopen master interface. Ethernet 10base-T TCP/IP interface	\$625
TCM01	Siemens MPI module (S7 300-400) optically isolated	\$395
TCM02	Klockner Moeller Suconet K module	\$190
TCM03	Allen Bradley DeviceNet module	\$190
TCM04	Interbus module	\$395
TCM07	Siemens MPI module (S7 300-400) without optical isolation	\$275
TCM08	Siemens Profibus DP module	\$390
TCM09	CANopen module	\$290
TCM10	Ethernet module	\$250
TCM15	Serial expansion RS-232 Module (Verify compatibility)	\$70
TCM16	Serial expansion RS-485 Module (Verify compatibility)	\$70
TCM17	Add on module for EIB (TP interface)	\$150
TCM18	Profibus DP slave 1.5 Mb	\$395
TSI01	Converter module for UniNET	\$190
TSI02	Bus terminal for UniNET	\$96
SCM03	PLC module with ISaGRAF kernel. CANopen master interface	\$340
SCM03-C	PLC module with CoDeSys kernel. CANopen master interface	\$370
SCM05	PLC module with ISaGRAF runtime. Enhanced memory. CANopen master interface	\$320
SCM05C	PLC module with CoDeSys 2.x runtime. Enhanced memory. CANopen master interface	\$350
UIM03	I/O Module 16 DI 24VDC, 16 DO relay 1A module requires -0050	\$330
UIM05	I/O module with 20 DI 24 VDC 4 inputs can be configured as fast counter inputs), 12 DO 24 VDC 0.1A, 8 programmable AI, 4 programmable AO. Requires- 0050	\$680
UIM06	I/O Module with 20 DI 24VDC (4 inputs can be configured as fast counter inputs) 20 DO 24 VDC 0.3 A, 8 programmable AI, 2 programmable AO. Requires - 0050	\$890
UNILOAD01	SSFDC Loader. Interfaces to parallel port	\$580
UNILOAD-USB	SSFDC Loader. USB interface	\$580
VM010	Video input module, 3 video inputs, 1 VGA input	\$995
